ACT 2600.

Dear sir.

Having read the articles in December 1994 edition of the AELN, I thought it might be a good idea to make you aware of the Local Land Board system in N.S.W. Therefore I have enclosed copies of the brochure that outlines the constitution, jurisdiction, powers and procedures of Local Land Boards in N.S.W.

I have also included copies for Judge Christine Trenorden and Michael Barker. As I don't have their address's would you please forward the brochure to them with my complements and card.

T.J. McCUE
CHAIRMAN LAND BOARDS.
