GENDER RESOURCES PACK

A gender resources pack is now available on the Australian Emergency Management Knowledge Hub. The collection provides a list of key resources and research regarding gender in emergency management. It includes websites, journal articles, and multimedia focused on analysis of traditional gender roles, integrating gender into disaster management and planning, and examples of how gender roles have impacted on response to and recovery from disasters, such as the Black Saturday bushfires and Hurricane Katrina.

2013 RESILIENT AUSTRALIA AWARDS

Do you have a project that has helped your community to be more disaster resilient?

If so, the 2013 Resilient Australia Awards may be the perfect way to promote and recognise your project.

WHAT ARE THE RESILIENT AUSTRALIA AWARDS?

The Resilient Australia Awards are an Australian Government initiative sponsored by the Commonwealth Attorney-General's Department, in conjunction with States and Territories. They recognise innovative practices and achievements across the nation that are making our communities safer, stronger, more resilient and better prepared to manage any emergency situation.
