

# SONGS OF KATINGAL

## Thirst for the day

- 1) Chasms of meaning  
Are emptied of dreaming  
And poured into concrete and clay
- 2) Signs of deceit  
Flash down in the street  
Cops guard the merciless ray
- 3) Crimes of the rulers  
Their inhuman coolers  
Smashed open in the fray
- 4) Till dancing cross the portals  
Alive breathing mortals  
Drunk in the thirst for the day

## Chorus

Call on the ready spirit  
Call on the child of time  
Call on the growling lyric  
Call on the solidarity rhyme.
