Supreme Court Library News

CDROMs

The library has several CDROM products to help you with your researches, including unreported judgments from state courts, a case citator, indexes to legal articles and some legislation. The CDROM products are easy to search and user friendly.

Call into the library for a demonstration soon.

NEW INDEXES

We have recently completed the input of 1996 data to the cumulative indexes to NT judgments. Contact the library for the information flyer with detailed information.

FAMILY LAW

The library receives copies of the Court Awareness Bulletin produced by the Family Court of Australia central library. It has details of legislative changes, case law, new books and a list of recent articles of interest to family lawyers. When you are next in the library, ask the staff to show you a copy of a recent issue.
