The Muster Room

His Honour: Did you understand my question?

Witness: Yes, your Honour.

His Honour: So I'll allow my question, you see. Gee, that's a wonderful feeling, I must say.

Applicants Counsel: Indeed, we applaud it.

Respondents Counsel:

That's one you've got over me, your Honour.

His Honour: Yes, I have.

Moving on

Simon Lee has ceased employment with Summary Prosecutions of the ODP.

As of 1 July 05 Simon commenced at the private bar, working from William Forster Chambers.

Not an ideal start

Even before the election was called one political media lacky was off to a bad start. First a press conference was cancelled "because no cameras were coming" and not all the invitees were notified - not a good way to get the media on side.

Then the media release which was distributed included the phone number for the office of a senior member on the other side of politics... oops.
