

# Law Week Lunch Darwin

*Ron Levy, Judy Bonner and Robert Chamberlain*

The Law Week Lunch on 30 May at the Holiday inn Esplanade marked the end of a busy Law Week.

Dr Haneef's controversial barrister, Stephen Keim SC, was guest speaker at the lunch, and also at the Law Week Dinner in Alice Springs on 29 May. Mr Keim was a well received speaker, and his Alice Springs speech notes are reproduced on page 14 of *Balance*, for those who missed this event.

Law Society President, Duncan McConnel, officially launched the new LawCare program for Law Society members at the Darwin lunch, and Justice Trevor Riley and Matthew Storey conducted an auction for naming rights of the Northern Territory Young Lawyers Golden Gavel. The successful bidder was Hunt and Hunt.

A big thank you to Marsh for their continued sponsorship of the Law Week Lunch, and QBE for the door prizes they provided.
