

REGISTRATION TEST

The National Native Title Tribunal posts summaries of registration test decisions at <www.nntt.gov.au>. The following decisions are listed for January to March. The first number following the name is the NNTT Application Number, the second is that of the Federal Court. If an application has not been accepted, this does not mean that native title does not exist. The applicants may still pursue the application for the determination of native title. If an application does not pass the registration test, the applicant may seek a review of the decision in the Federal Court or re-submit the application.
