

Items in the AIATSIS Catalogue

The following list contains either new or recently amended catalogue records of material relevant to native title. Please check MURA, the AIATSIS on-line catalogue, for more information on each entry. You will notice that some entries may not have completed citations because they are preliminary records.

This issue continues with citations from *Native Title News*. All of these are listed under three categories at the end.

The section on Historical documents and accounts contains a substantial number of books, some of which can be accessed online. Also, we now hold two early sources of Proceedings- one from the Royal Colonial Institute in London (Vol. XXII, 1890-1891) and another from the Royal Society of Edinburgh (1844-1941). Another item of interest is a manuscript left by the Rev. John Bulmer entitled "His life, manners, customs and traditions of the Aborigines" (1909).

AIATSIS now holds the *Aboriginal mining information service newsletter*. Northcote, Vic. : Aboriginal Mining Information Centre, 1980-.
