

## Featured items in the AIATSIS Catalogue

The following list contains either new or recently amended catalogue records relevant to Native Title issues. Please check MURA, the AIATSIS on-line catalogue, for more information on each entry. You will notice some items on MURA do not have a full citation because they are preliminary catalogue records.

The cataloguing of Native Title Research Unit continues with links being added or updated. The listing below includes items that have come from earlier native title conferences. A selection of recently catalogued items online has been included in this listing under topic. For all Native Title Research Unit publications, enter the query term, "ntru" into the search box of the AIATSIS MURA online catalogue.

Audiovisual material of interest to native title includes:

### Audio

The collection, GARVAN\_J01, consists of 7 hours of tapes recorded during the 1979 land rights "teach-in", conducted by the Aboriginal Land Rights Support Group at Sydney University. Speakers included Joan Garvan, Mick Miller, Lawrence Dugong, Pat O'Shane, Marcia Langton, Steve Albert, Joe McGinness and others.

### Film

Graham Wilson deposited a film showing everyday life in old Mowanjum in 1974. A woman is shown holding up a painted shield.

### Print and online resources

References to some of the online resources shown on the Native Title Research Unit web site appear on this list. Of special interest will be a set of overviews for native title and joint management arrangements for protected and other conservation areas for five states and territories (2009) available online at:
