MARY BAYS has recently returned to Sydney and in January was appointed Executive Director, CLANN Limited.

Previously, Mary was Manager of Information Services at the Australian Road Research Board in Melbourne, where she was associated with building of the Australian Road Index database. The Board is an enthusiastic user of AUSINET and Mary was secretary of the AUSINET Users' Committee for a period.

MRS PAULINE FANNING, probably the best-known member of the staff of the National Library of Australia and one of its most popular officers, retired on January 18 after library service spanning 44 years. Mrs Fanning has been Director of the Library's Humanities branch, the Australian National Humanities Library, since 1975.

In her directorship, Mrs Fanning has been responsible for the national Film Library, including the National Film Archive, and the Library's manuscript, pictorial, rare book, map, music, sound recording, and Oriental and Southeast Asian collections and its Australian and general reference services.

Mrs Fanning was awarded an MBE in 1969 for her services to librarianship and was made a Companion of the Imperial Services Order in 1978. She was also, in 1976, the first person to receive an honorary Master of Arts degree from the Australian National University. The following year, she was made a Fellow of the Library Association of Australia.

CEC CHURM, who has been Chief Librarian, Bankstown Municipal Library, NSW, for 25 years, was awarded the OBE in the New Year Honours List.

Cec, who has served on many state and local committees, was the first Librarian to be a member of the Library Council of NSW. He has been Chairman of the NSW Library Promotion Committee, Vice-President of the NSW Association of Local Government Librarians and has served on several AACOBS committees since its inception.

## Coming Conferences

Plans for the LAA/NZLA combined Conference to be held in Christchurch from 18-23 January 1981 are now well underway.

The Conference organisers are to make block bookings on planes to and from the Christchurch Conference. To enable the organisers to do this some indication is necessary of how many participants intend to take advantage of the cheap discount air fares.

Please fill in the form below and return it to the LAA.

**It should be stressed that this form is only to give the organisers a preliminary indication and is NOT an enrolment form nor does it put you under any obligation to attend the Conference.**

Following the Christchurch Conference, the normal pattern of biennial conferences will resume on an even year pattern, with the 1982 Conference in Adelaide and the 1984 Conference in Brisbane.

The 1982 Conference was originally planned for Brisbane, but the difficulties occasioned by the Commonwealth Games being held in Brisbane that year made it impossible to plan the Conference effectively.

At the request of the Queensland Branch, therefore, the General Council agreed to ask the South Australian Branch to mount the 1982 Conference and hold the 1984 Conference in Brisbane. The South Australians have taken up the challenge and planning is well underway.

Please complete form and return to Library Association of Australia, 35 Clarence Street, Sydney, NSW 2000. Mark envelope 'LAA/NZLA Conference'.
