A Team Effort...

B.H. Walshe & Son, established for 50 years, is a wholly-owned family business that prides itself on prompt service and efficiency.

Holt Jackson, founded almost 60 years ago, are leading UK library booksellers. We too are a family business and have built a reputation for excellent services to libraries.

Together, Walshe and Holt Jackson, make a formidable team in serving the needs of Australian libraries.

INVOICING & ACCOUNTING

Invoicing, accounting and book processing follow specifications provided by each library so that books arrive ready for the shelf. We provide facilities in Melbourne so that payment can be made in \$A to save you a lot of fuss.

STOCK HOLDING

Holt Jackson have reputedly the best book stocks of over 800,000 volumes ranging from children's books to post-graduate non-fiction, so most library orders are satisfied from stock.

COMPUTER SERVICES

Systems developed over the last 18 years are now capable of handling most librarians' requirements. On-line order and enquiry facilities are available via IPSS and the "Holt Jackson Computer Link". Alternatively, we can provide a simple "off-line" order creation program for use with E-Mail, maybe through ILANET. Tapes containing details of new titles added to stock can also be supplied.

STANDING ORDERS

Our standing order system can make your ordering simpler. We listen, carefully, to your needs and then do our best to meet them.

AUSTRALIAN SERVICE

The Holt Jackson/Walshe team are now able to provide a more personal service for your Australian and UK book acquisitions. So, if you have any enquiries, they will be taken care of immediately by contacting,

this void. Our first residential conference, held near Ballarat last October, was a great success. Since then we have run a discipline management day, which was a follow-up to the theme of the conference and offered practical ideas for dealing with young people in a library situation. All who attended found the day extremely worthwhile.

We look forward to our next conference being just as successful, and leading to more worthwhile ventures. Have members suggestions for future activities? Do think seriously about nominating for our committee in the forthcoming elections. Contact can be made through our Secretary, Bev Pianta, at Statewide School Library Support Centre, 67 High Street, Prahran Vic. 3181; telephone (03) 521 1721.

Children's fiction

On 1 June we welcomed members to hear Walter McVitty speak on trends and the future of children's fiction in Australia. Walter spoke of several authors currently writing fiction in Australia, and some of the effects evident as a result of publishers' influence.

The evening at Queen's College, Parkville, went far too quickly. We look forward to the next meeting between Children's and Youth Services Section, SLAV and ourselves.

Special Libraries Section

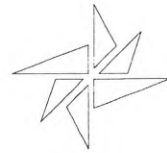

NSW Group

Records management

The NSW Group of the Special Libraries Section is conducting a full-day seminar: 'Records management for special librarians'.

The seminar will address the issue of special librarians undertaking records management functions, and present relevant seminars that bring together a wide range of librarians and information professionals for active discussion and debate.

The venue — Institute of Chartered Accountants, 37 York Street, Sydney — is handy to public transport. Morning tea and lunch will be provided. The charge is \$60 for members of the Section, \$70 for other ALIA members, and \$75 for non-members.
