

Special discounts on AFI membership for ALIA members

AFI and ALIA have formed a partnership which has resulted in ALIA members being offered a special discount on one year membership of the Australian Film Institute. For only \$50.00 single or \$77.00 double (a ten per cent discount on the advertised AFI rates) you can enjoy concession cinema entry, free preview screenings, discounted film research and many other benefits throughout the year. Simply fill in the form enclosed with this issue of *inCite* or freecall 1800 069 009 with your details and mention this offer. You can also download a form from <http://www.afi.org.au>. In all cases, please quote your ALIA membership number.

ALIA members can also join up their partners or family members at the special rate — it makes a great gift!

AFI is a non-profit, membership-based organisation, so every dollar of your AFI membership goes towards supporting and promoting Australian films and filmmakers.
