ENVIROFILE

Streamlining business processes and increasing productivity are fundamental concerns for any organisation – managing documents and records has many benefits that can appreciably improve organisational efficiency. EnviroFile Records Solutions address many of these concerns; we listen, we deliver.

SPACEMAKER

Create the foundation for an efficient, well-run office with SpaceMaker storage solutions from Abax Systems. Once relegated to the back room, our mobile storage systems can now go virtually anywhere. New aesthetic options have elevated them to a design element, so now you can optimise space efficiency without sacrificing style. SpaceMaker is Storage Solved.

KINGFISHER

The best in Library Systems. From the front desk to the back of house we offer a range of solutions for shelving, furnishings and library consumables. Custom designed or standard, from one shelf to an entire fit, our Library Consultants are able to assist with your design and layouts to ensure your needs are met.
