Dreading your library move?

If the thought of moving makes you want to hide, then it is time to call the experienced library relocation team at Chess Moving.

Chess pioneered the library relocation trolley system in Australia. We simply transfer whole rows of books from your library shelves, to our fully enclosed and lockable trolleys, then replace them intact at your new location.

Your sequential library system is preserved providing you with fast access to contents during relocation - and fast installation at your new library.

We also provide purpose built waterproof and lockable crates for files, large books, newspapers and periodicals.

So take the worry out of your library move - call the experts at moving today's modern libraries Australia wide.
