

Dreading your library move?

If the thought of moving makes you want to hide, then it is time to call the experienced library relocation team at Chess Moving.

Chess pioneered the library relocation trolley system in Australia. We simply transfer whole rows of books from your library shelves, to our fully enclosed and lockable trolleys, then replace them intact at your new location.

Your sequential library system is preserved providing you with fast access to contents during relocation - and fast installation at your new library.

We also provide purpose built waterproof and lockable crates for files, large books, newspapers and periodicals.

So take the worry out of your library move - call the experts at moving today's modern libraries Australia wide.

MEET ALIA'S MEMBERSHIP TEAM

If you've ever phoned ALIA with a question about membership, you would have spoken to one of the three staff on the membership team: Robyn Bartlett, Jade Dawes and Agnes Lekawski.

They are your go-to team when you need to know what you'll get from your ALIA Membership and they can talk you through the type of membership that's right for you. ALIA Membership is open to everyone. Whether you have formal qualifications or simply an interest in the profession, you're welcome to become a Member of ALIA.

Contact the team to discuss whether your qualifications make you eligible for professional membership or get information about discounts. For example, a reduced membership fee is available if you have a health care card, you have a gross income of less than \$34,600 or if you are a graduate in your first two years in the LIS profession after completing an ALIA-accredited course. Special rates are also available for students and retirees.

Before joining ALIA, Membership and Marketing Manager Jade Dawes spent 10 years in customer service and management at Myer in Adelaide and Melbourne.

Membership Officers Robyn Bartlett and Agnes Lekawski worked as computer programmers in the Attorney-General's Department in Canberra. We benefit from the customer service, IT and marketing skills they bring to the Association. If you have any questions, you can contact them by email: membership@alia.org.au or to read more go to membership.alia.org.au.
