The 2016 ALIA Board election is now complete and we would like to thank all our Members who took part in the voting process.

Thank you also to the ALIA Members who nominated to join the Board of Directors. We appreciate their willingness to support the library and information community in this way.

The following Members have been elected and will take up their positions on the ALIA Board for a two-year term following the Annual General Meeting on Wednesday 18 May 2016:

- Vice President (President-elect) — Vicki McDonald
- Institutional Director — Marian Morgan-Bindon
- Director — Monika Szunejko
- Director — Jane Cowell

They will join current Vice President, Patricia Genat, as she moves into the role of President, and Ghylene Palmer and Fiona Emberton.

CorpVote, an independent election specialist which managed the election for ALIA, has informed us that the voter participation in the board election was 29%. This is high compared to the average voter participation rate in the order of 10-15% in elections of other member organisations. This demonstrates high engagement from ALIA Members in the governance of our organisation.
