

Universities (Financial Assistance) (No. 2)

No. 101 of 1965

An Act to amend the *Universities (Financial Assistance) Act 1963–1964*, as amended by the *Universities (Financial Assistance) Act 1965*.

[Assented to 13 December, 1965]

BE it enacted by the Queen's Most Excellent Majesty, the Senate, and the House of Representatives of the Commonwealth of Australia, as follows:—

1.—(1) This Act may be cited as the *Universities (Financial Assistance) Act (No. 2) 1965*.

(2) The *Universities (Financial Assistance) Act 1963–1964*,* as amended by the *Universities (Financial Assistance) Act 1965*,† is in this Act referred to as the Principal Act. Short title and citation.

(3) Section 1 of the *Universities (Financial Assistance) Act 1965* is amended by omitting sub-section (3).

(4) The Principal Act, as amended by this Act, may be cited as the *Universities (Financial Assistance) Act 1963–1965*.

2. This Act shall come into operation on the day on which it receives the Royal Assent. Commencement.

3. Section 2 of the Principal Act is amended by omitting from sub-section (1.) the definition of “University” and inserting in its stead the following definition:— Interpretation.

“University” means a University referred to in any of the Schedules and includes any other place of education referred to in the First or Second Schedule;”.

4. After section 8 of the Principal Act the following sections are inserted:—

“8A.—(1) For the purposes of this section, the teaching hospital projects of a University are the projects in relation to a hospital or proposed hospital the name of which is specified in the first column of the Fifth Schedule under the name of that University being projects that are described in that Schedule opposite to the name of that hospital or proposed hospital and are to be carried out by the respective hospitals or proposed hospitals in accordance with arrangements with that University. Capital grants in respect of building projects, &c., in connexion with teaching hospitals.

* Act No. 68, 1963, as amended by No. 129, 1964.
† Act No. 40, 1965.

“(2.) Subject to this section, if a State contribution received by a University specified in the Fifth Schedule in the period of three years to which this Act applies was made for the purpose of assisting the University to meet the cost of a teaching hospital project of that University, there is payable under this section, to the State in which the University is situated, for the purposes of financial assistance, an amount equal to the State contribution.

“(3.) The sum of the amounts payable to a State under the last preceding sub-section in respect of the teaching hospital projects of a University in relation to a particular hospital or proposed hospital shall not exceed the sum of the amounts specified in the third column of the Fifth Schedule, under the name of that University, opposite to the descriptions of those projects.

“(4.) The total amount payable to a State under sub-section (2.) of this section in respect of any one teaching hospital project of a University shall not exceed—

- (a) the amount specified in the third column of the Fifth Schedule, under the name of that University, opposite to the description of that project; or
- (b) subject to the last preceding sub-section, where another amount is approved by the Commission, that other amount.

“(5.) Where a project specified in the second column of the Fifth Schedule consists of, or includes, the erection, alteration or extension of a building, that project shall be deemed to include the provision of furnishings and equipment, as approved by the Commission for the purposes of this section, for that building, or for the altered parts or the extensions of that building, as the case may be.

“(6.) The Minister may, having regard to the progress made, or proposed to be made, in the carrying out of the projects, and the provision of the furnishings and equipment, referred to in this section, give directions as to the times at which, and the instalments by which, payments to a State under this section are to be made.

“(7.) The financial assistance to a State under this section in relation to a teaching hospital project of a University is granted on the conditions that—

- (a) the State will, in respect of each payment in respect of that financial assistance and without undue delay, pay to the University an amount equal to that payment; and
- (b) the State will ensure that each amount so paid is applied by the University, without undue delay, towards that project.

“(8.) A State contribution in relation to which a State is entitled to a payment of financial assistance under this section shall not be taken into account for the purposes of section three of this Act.

“(9.) The Commission shall, after consultation with the Universities concerned, furnish to the Minister, at such times as the Minister directs, such reports as the Minister requires on the progress made, and proposed to be made, in the carrying out of the projects specified in the second column of the Fifth Schedule.

“8B.—(1.) For the purposes of this section, the teaching hospitals of a University are the hospitals the names of which are specified in the first column of the Fifth Schedule under the name of that University.

Recurrent grants in respect of teaching hospitals.

“(2.) For the purposes of this section, the appropriate costs, in relation to a teaching hospital of a university are—

- (a) the salaries paid to an administrative officer, to clinical supervisors, and to persons whose duties are of a secretarial nature, engaged in the administration of the teaching at that hospital of students enrolled in the Faculty of Medicine of the University;
- (b) the expenditure (other than capital expenditure) incurred by the hospital in relation to the provision of the parts of the hospital used exclusively by students referred to in the last preceding paragraph and by their teachers and of the facilities and equipment so used in connexion with those parts of the hospital; and
- (c) the expenditure, not including expenditure at a rate exceeding One thousand pounds per annum, incurred in the purchase of books and periodicals for the medical library of the hospital.

“(3.) Where a State furnishes to the Minister such information, certified to be correct by the Auditor-General of the State, as the Minister requires with respect to the State contributions in relation to the appropriate costs of the teaching hospitals of a University incurred during a period to which a Part of the Sixth Schedule relates, there is payable to the State in which the University is situated, for the purposes of financial assistance—

- (a) if the Minister is satisfied that the amount of the State contributions in relation to the appropriate costs of those teaching hospitals is not less than the amount specified in respect of that University in the second column of that Part—the amount specified in respect of that University in the third column of that Part; or

(b) in any other case—so much of the amount specified in respect of that University in the third column of that Part as bears to that amount the same proportion as the amount the Minister is satisfied constitutes those State contributions bears to the amount specified in respect of that University in the second column of that Part.

“(4.) Where the Minister is not satisfied that a reasonable amount has been expended by a teaching hospital of a University in a State in relation to the matters specified in each of paragraphs (a), (b) and (c) of sub-section (2.) of this section. he may, by instrument in writing under his hand, direct that the amount of financial assistance otherwise payable to the State under this section shall be reduced by an amount specified by the Minister in the instrument.

“(5.) The financial assistance to a State under this section in relation to the teaching hospitals of a University is granted on the condition that the State will, in respect of each payment of that financial assistance and without undue delay, pay to the University an amount equal to that payment.

“(6.) A State contribution in relation to which a State is entitled to a payment of financial assistance under this section shall not be taken into account for the purposes of section three of this Act.”.

**Second
Schedule.**

5. The Second Schedule to the Principal Act is amended by omitting from the second column the words—

“Erection of central animal breeding unit at Mount Derrimut”

and inserting in their stead the words—

“Erection of central animal breeding unit at Werribee”.

The Schedule.

6. The Principal Act is amended by adding at the end thereof the Schedules set out in the Schedule to this Act.
