(3.) Upon delivery of wheat to the Board under this section, the wheat (including any corn sacks in which the wheat is contained) becomes the absolute property of the Board, freed from all mortgages, charges, liens, pledges, interests and trusts.

(4.) Nothing in this section applies to—

- (b) wheat retained by the grower for use on the farm where it is grown;

Penalty: Three times the value of the wheat in respect of which the offence is committed, calculated at the guaranteed price for wheat of the season that is current at the time of the offence, or imprisonment for six months, or both.

Delivery to
licensed
receiver.

19.—(1.) Delivery of wheat to the Board may be made by delivering or consigning the wheat to a licensed receiver.

(2.) A person who delivers or consigns wheat to a licensed receiver shall, at the same time, furnish to the licensed receiver in writing the names and addresses of all persons known by him to have or to claim an interest in the wheat, in any corn sacks in which the wheat is contained or in the payment to be made for the wheat or corn sacks, and all particulars known to him of those interests.

Unauthorized
dealings with
wheat.

20.—(1.) Except as provided in the last two preceding sections, or with the consent in writing of the Board, a person shall not—

- (a) sell, deliver or part with the possession of, or take into his possession, wheat in a Territory other than wheat specified in sub-section (4.) of section eighteen of this Act;
- (b) part with the possession of, or take into his possession, wheat that is the property of the Board;

- (d) export wheat, or wheat products as defined in the *Wheat Export Charge Act* 1963.

Penalty: Three times the value of the wheat or of the wheat equivalent of the wheat products in respect of which the offence is committed, calculated at the guaranteed price for wheat of the season that is current at the time of the offence, or imprisonment for six months, or both.

(2.) The prohibition of export contained in the last preceding sub-section is in addition to, and not in substitution for, any prohibition contained in regulations (whether made before or after the commencement of this Act) in force under the *Customs Act* 1901-1963.

21.—(1.) Where wheat is delivered to the Board in pursuance of section eighteen of this Act, the Board shall pay for that wheat (including the corn sacks, if any, in which the wheat is delivered) an amount determined by the Board in accordance with this section.

Price to be
paid for
wheat.

(2.) The Board shall determine amounts payable under the last preceding sub-section in respect of wheat of a season by—

- (a) ascertaining the net proceeds of the disposal by the Board of all wheat of that season delivered to the Board in Australia (whether in pursuance of this Act or otherwise);
- (b) deducting from the amount so ascertained an amount calculated at the rate of Threepence for each bushel of so much of the wheat of that season grown in the State of Western Australia as the Board certifies to the Minister to have become available for export to places outside Australia or such lesser amount as the Board determines having regard to the freight charges that have and may become payable in respect of such export and the rate or rates at which freight charges are payable in respect of the export of wheat from other places in Australia; and
- (c) ascertaining the share in the remaining amount of each person entitled to payment under this section by apportioning that remaining amount amongst the persons who delivered wheat of that season to the Board in Australia (whether in pursuance of this Act or otherwise) on the basis of the number of bushels of wheat so delivered by each such person, with proper allowance for differences in the quality of wheat and for transport charges for the carriage of wheat to the terminal port from the place at which the wheat was delivered to the Board, corn sacks in which wheat was supplied to the Board, and other necessary adjustments in particular cases.

(3.) For the purposes of this section, the Board is not bound to preserve the identity of wheat of a season, and may keep its accounts in respect of sales in such manner as will, in its judgment, attribute sales to wheat of different seasons in an equitable manner.

(4.) The Board is not bound to make a final payment in respect of wheat of a season until it has disposed of the whole of the wheat of that season delivered to it in Australia (whether in pursuance of this Act or otherwise), but the Board may, with the approval of the Minister, make from time to time such advance payments as it considers justified.

(5.) Subject to this section, the net proceeds of the disposal of wheat shall, for the purposes of this section, be deemed to be the net return from the disposal of the wheat (including corn sacks in which the wheat was sold) after paying the charge imposed by the *Wheat Export Charge Act* 1963 and administration, interest, transport, storage and other charges incurred by the Board (other than charges for transport to the terminal port from the place at which the wheat is delivered to the Board).

(6.) In ascertaining the net proceeds of the disposal of any wheat, no account shall be taken of moneys to which section twenty-eight of this Act, or a corresponding provision of a State Act, applies or of costs of the Board payable out of those moneys.

(7.) Where the average price per bushel obtained by the Board for wheat of a season exported by the Board, or sold by the Board for export, is less than the guaranteed price, the net proceeds from the disposal of wheat of that season by the Board shall, for the purposes of this section, be deemed to be increased by an amount ascertained by multiplying the amount of the difference between that average price and the guaranteed price by—

(a) a number equal to the number of bushels of wheat of the season exported by the Board, or sold by the Board for export; or

(b) one hundred and fifty million,

whichever is the less.

(8.) In ascertaining the average price for the purposes of the last preceding sub-section, the price obtained in respect of a sale other than a sale of fair average quality bulk wheat free on rails at the port of export shall be deemed to be the price which would have been the corresponding price for a sale of the same quantity of fair average quality bulk wheat free on rails at the port of export.

(9.) The obligation of the Board under this section in respect of any wheat is subject to the operation of section eight of the *Wheat Tax Act* 1957.

22.—(1.) The amount payable under this Act in respect of any wheat, or wheat and corn sacks, is payable to the person who would have been entitled to receive the price of the wheat if the wheat had been lawfully sold to the Board at the time of the delivery of the wheat. Payment by Board.

(2.) The same rights (if any) exist against the person receiving an amount paid by the Board under this Act in respect of wheat, or wheat and corn sacks, as would exist if the moneys so paid were the proceeds of a sale or purported sale of the wheat, or wheat and corn sacks, by him, and any such rights may be enforced by action in any court that would have had jurisdiction if the moneys were the proceeds of such a sale or purported sale.

(3.) Payment in good faith by the Board of any moneys payable under this Act to the person appearing to the Board to be entitled to receive them discharges the Board from any further liability in respect of those moneys.

(4.) Subject to the next succeeding sub-section, an assignment of moneys payable by the Board in respect of wheat, or wheat and corn sacks, delivered to the Board (not including a registered crop lien) executed after the commencement of this Act is void as against the Board.

(5.) Where a person assigns moneys payable to him by the Board in respect of wheat, or wheat and corn sacks, delivered or to be delivered to the Board in payment of, or as security for payment of, an amount payable by that person for corn sacks supplied to him, the Board may pay those moneys to the assignee.

23.—(1.) The Minister may, in respect of a season, by notice published in the *Gazette*, declare a day to be the final delivery day in respect of that season. Declaration to be furnished as to old season's wheat.

(2.) A person who, in the Australian Capital Territory—

(a) consigns or delivers to a licensed receiver wheat harvested before the thirtieth day of September, One thousand nine hundred and sixty-three; or

(b) consigns or delivers to a licensed receiver, after the final delivery day declared in respect of a season under this section, wheat harvested in that season,

shall make and forward to the licensed receiver a declaration correctly stating the season during which the wheat was harvested.

Entry of
premises,
seizure of
wheat, &c.

24.—(1.) A member of the police force of the Commonwealth or of a State or Territory who is authorized by the Board or the Chairman of the Board to act under this section may—

- (a) at all reasonable times, enter premises in a Territory and inspect any stock of wheat or corn sacks, and any accounts, books and documents relating to wheat or corn sacks; and
- (b) take possession of and remove any wheat that is the property of the Board or the delivery of which has been lawfully demanded by the Board, and any corn sacks in which any such wheat is contained or that are the property of the Board.

(2.) A person shall not hinder or obstruct a person in the exercise of powers under this section.

(3.) Wheat, other than wheat that is the property of the Board, of which possession is taken under sub-section (1.) of this section, and any corn sacks in which the wheat is contained, shall, for the purposes of this Act, but without affecting the liability of a person for an offence, be deemed to be delivered to the Board under this Act.

Board may
require
returns.

25.—(1.) For the purposes of this Act, the Board may, by notice in writing served on the person to whom it is addressed either—

- (a) personally; or
- (b) by post at his last-known place of abode or business, require a person to furnish in writing to the Board, within the time specified in the notice, such information relating to wheat, wheaten flour, semolina, corn sacks, jute or jute products as is specified in the notice.

(2.) A person shall not, without reasonable excuse—

- (a) refuse or fail to comply with a requirement under this section; or
- (b) furnish to the Board any information that is false or misleading in a particular.

Proper care to
be taken of
wheat owned
by Board.

26. A person having wheat the property of the Board in his possession or under his care shall exercise proper care and take all proper and reasonable precautions and do all things necessary to preserve and safeguard that wheat and to keep it free from damage or deterioration.

Home
consumption
price of wheat.

27.—(1.) The price at which the Board shall, in a Territory, sell wheat for manufacture into wheat products for human consumption in Australia, or wheat for consumption in Australia by pigs, poultry or dairy stock, is the appropriate price ascertained in accordance with this section.

(2.) Subject to this section, the price per bushel in respect of a wholesale sale of bulk wheat of fair average quality free on rails at a port of export shall be the guaranteed price for wheat of the season that is current at the beginning of the year in which the sale is made.

(3.) The price applicable under the last preceding sub-section shall be increased by an amount of Twopence per bushel for the purpose of reimbursing the Board for the costs of shipment of wheat to the State of Tasmania.

(4.) If the Board reports to the Minister that the amounts being received by the Board by reason of the operation of the last preceding sub-section, together with amounts being received under corresponding provisions of the laws of the States, are greater or less than the amounts required to meet the costs of shipment of wheat by the Board to the State of Tasmania, the Minister may direct the Board that the amount per bushel specified in that sub-section shall be reduced or increased to such extent as he considers necessary.

(5.) The price in respect of a sale other than a sale specified in sub-section (2.) of this section shall be a price ascertained by adding to or deducting from the price applicable to sales so specified an amount that makes a proper allowance for the quality of the wheat, the conditions of sale and the place of delivery.

(6.) In this section, "year" means the period of twelve months commencing on the first day of December, One thousand nine hundred and sixty-three, and each subsequent period of twelve months.

(7.) Notwithstanding the repeal of section twenty-three of the *Wheat Industry Stabilization Act 1958-1960*—

(a) the prices for sales of wheat by the Board that were applicable under that section immediately before the commencement of this Act continue to be applicable to sales made after the commencement of this Act and before the first day of December, One thousand nine hundred and sixty-three; and

(b) all moneys received by the Board in respect of such sales by reason of the operation of sub-section (3.) of that section shall be deemed to be moneys to which sub-section (1.) of the next succeeding section applies.

28.—(1.) Notwithstanding any other provision of this Act but subject to this section, the Board shall keep a separate account of the moneys received by the Board by reason of the operation of

Special account

sub-sections (3.) and (4.) of the last preceding section, and of payments made out of those moneys, and shall not apply those moneys except in accordance with this section.

(2.) The Board may combine the account required to be kept under the last preceding sub-section with any similar account or accounts to be kept by it under the law of a State or States.

(3.) The Board shall use the moneys referred to in sub-section (1.) of this section in meeting the costs of shipment of wheat by the Board to the State of Tasmania, and shall not use for that purpose any other moneys derived by it from the sale of wheat delivered to it in pursuance of this Act.

(4.) Any moneys referred to in sub-section (1.) of this section that remain unexpended after the Board has disposed of the whole of the wheat of the last season to which this Act applies delivered to the Board in Australia shall be applied by the Board for the benefit of the wheat industry in such manner as the Minister, after consultation with the appropriate Minister of each State, directs.

(5.) Any moneys that, immediately before the commencement of this Act, were standing to the credit of the account kept by the Board for the purposes of section twenty-four of the *Wheat Industry Stabilization Act 1958-1960* shall be deemed to be moneys to which sub-section (1.) of this section applies.

PART IV.—FINANCE.

(b) in payment of the remuneration and allowances of members of the Board and remuneration payable to licensed receivers; and

(c) in making any other payments that the Board is required or authorized by law to make.

(4.) In this section, “approved bank” means the Reserve Bank of Australia or any other bank approved by the Treasurer for the purposes of this section.

Arrangement
