- (c) Holdings shall be sufficient in size to enable settlers to operate efficiently and to earn a reasonable labour income.

(6) Where settlement is on Crown land or acquired leasehold land, an amount to be agreed upon between the Commonwealth and the State shall be included in the total cost referred to in sub-clause (2.) of this clause to cover the State's interest in the land.

9. All financial matters relating and incidental to the carrying out of the scheme shall be arranged in a manner satisfactory to the Treasurer of the Commonwealth and the Treasurer of the State.

10. The following procedure shall be observed in connexion with the approval of proposals for settlement under the scheme brought forward by the State :—

(2.) At least one-half of the proceeds shall be credited to future obligations in respect of stock, plant and equipment.
