

## EDUCATION (No. 3).

---

No. 45 of 1966.

AN ACT to amend the *Education Act 1932*.

[11 November 1966.]

**BE** it enacted by His Excellency the Governor of Tasmania, by and with the advice and consent of the Legislative Council and House of Assembly, in Parliament assembled, as follows:—

**1**—(1) This Act may be cited as the *Education Act (No. 3)* Short title and citation.  
1966.

(2) The *Education Act 1932*, as subsequently amended, is in this Act referred to as the Principal Act.

**2** After section thirty-two of the Principal Act the following Part is inserted:—

“ PART IIIA.

“ THE SCIENCE EQUIPMENT CENTRE.

“ 32A In this Part, unless the contrary intention appears— Interpre-

‘ educational institution ’ means any university, college, school, or other like institution—

(a) that is established in this State or in any other State or in any Territory of the Commonwealth; or

(b) that is established in any country or place outside Australia and is declared by the Governor, by order, to be an educational institution for the purposes of this Part;

‘ public authority ’ means any department, authority, or instrumentality of this State or of the Commonwealth or of any other State or Territory of the Commonwealth, not being an educational institution;

‘ scientific equipment ’ includes any apparatus, appliance, machinery, material, article, or thing that is designed for use, or is capable of being used, for or in connection with scientific purposes or the conduct of researches in connection with, or for the promotion of, science, or the teaching of science or of a scientific subject included in a course of instruction provided at an educational institution.

Powers of  
Minister

“ 32B—(1) The Minister may establish, manage, maintain, and operate an institution for the purposes of—

- (a) the instruction and training of persons in the use, manufacture, repair, and servicing of scientific equipment and in the carrying out of scientific researches for the purposes of this Part;
- (b) the supply of scientific equipment to educational institutions and public authorities; and
- (c) the carrying out of technological researches in connection with, or for the promotion of, science or education.

“(2) Without prejudice to the generality of the provisions of subsection (1) of this section, the Minister may, in the course of the operation of the institution established, or deemed to have been established, under this Part—

- (a) make such arrangements as he thinks necessary or desirable for or with respect to the instruction and training of persons in the manufacture, maintenance, repair, and servicing of scientific equipment and in the carrying out of scientific researches, and, for that purpose, establish and award, out of moneys provided by Parliament for the purpose or otherwise available to the Minister for the purposes of this Part, such cadetships or scholarships as the Minister may determine or as may be prescribed;
- (b) sell, supply, or let on hire, on and subject to such terms and conditions as the Minister may determine, to—
  - (i) educational institutions; and
  - (ii) public authorities,
 any scientific equipment manufactured under the authority of this Part;
- (c) initiate and carry out technological researches in connection with, or for the promotion of, science or education;
- (d) manufacture, maintain, repair, and service scientific equipment of such kinds as he thinks fit;
- (e) purchase, take on hire, construct, make, or adapt tools, fittings, and parts for use in the manufacture, maintenance, repair, or servicing of scientific equipment;
- (f) accept, and apply or use, for the purposes of this Part, any gift of money or other property made to the Minister by any person for the purposes of the institution; and
- (g) do all such acts and things as may be incidental or ancillary to any of the powers conferred on the Minister by this section or as may be necessary or convenient for carrying out or giving effect to the provisions of this Part.

“(3) The Minister, at the request of a person engaged in carrying on an industry, or at the request of the Minister having the administration of the *Industrial Development Act 1954*, may, on and subject to such terms and conditions as the Minister may determine—

- (a) sell or let on hire to that person any scientific equipment manufactured under the authority of this Part; and
- (b) on behalf of that person—
  - (i) repair, maintain, or service any equipment used by that person in the course of carrying on that industry; or
  - (ii) carry out research into or in connection with problems arising in the course of the carrying on of that industry by that person.

“(4) The Minister shall not in the exercise of the powers conferred by paragraph (a), or sub-paragraph (i) of paragraph (b), of subsection (3) of this section sell or let on hire any scientific equipment to any person unless he is of the opinion that it is not reasonably practicable for that person to obtain that equipment from some other source or, as the case may be, to have any equipment used by that person in the course of carrying on his industry repaired, maintained, or serviced elsewhere than at the Centre.

“(5) The Centre shall be deemed to have been established under the authority of this Part and shall, on and after the commencement of this Part, be managed, maintained, and operated by the Minister under and in accordance with the provisions of this Part.

“(6) Where, before the commencement of this Part, a person entered into an indenture of cadetship with the Minister in relation to the instruction and training of that person in any trade or operations carried on at the Centre, that indenture shall be deemed to have been entered into under the authority of this Part as if this Part had been in force at the time when the indenture was entered into.

“(7) Any money that is given to the Minister by a person for the purposes of the institution established, or deemed to have been established, under this Part shall be paid into the Trust Fund and may, subject to this Part and to any trusts upon or subject to which the gift of that money is made, be applied or used by the Minister for the purposes of this Part, and the Trust Fund is, by force of this subsection, appropriated to the necessary extent accordingly.

“(8) In this section, ‘Centre’ means the institution known as the Science Equipment Centre that, immediately before the commencement of this Part, was being carried on at Hobart in this State as part of the activities of the Department.

## Regulations.

“32C—(1) The Governor may make regulations for the purposes of this Part.

“(2) Without prejudice to the generality of the provisions of subsection (1) of this section, regulations may be made under this Part for or in respect of—

- (a) the form, effect, duration, cancellation, and terms and conditions of indentures of cadetship under this Part;
- (b) the preparatory education required of persons who desire to enter into indentures of cadetship under this Part;
- (c) the establishment and awarding of scholarships, and the granting of other forms of financial assistance, for the purpose of assisting persons to undergo courses of instruction and training under or for the purposes of this Part, and the amount or value thereof, and the terms and conditions upon and subject to which any such scholarship or other financial assistance may or shall be granted; and
- (d) the establishment, constitution, procedure, quorum, powers, functions, and duties of an advisory committee to assist the Minister in the administration of this Part.”.
